

JUNIOR TECHNOLOGY & MARKET ANALYST | IMAGING

With offices in France, Germany, Japan, Greater China and the U.S.A, Yole Développement (Yole) the « More than Moore » company, provides market research, technology analysis, strategic consulting, media services and financial services to a worldwide customer base.

Covering emerging and disruptive silicon and micro manufacturing markets, the group supports companies, investors and R&D organizations by delivering comprehensive analysis that helps them understand the markets and technology trends critical to their business.

JOB DESCRIPTION

Our company proposes an immediate opening for a **Junior Market and Technology Analyst** to help us further develop our **Imaging activities** from image sensors design & manufacturing to camera modules applications by performing market, technology, and strategic analyses.

Within the Photonics, Sensing and Display division, you will work in close collaboration with the Imaging Activity Leader as well as take part in the projects of the different divisions (Power & Wireless, Semiconductors & Software and Life sciences & Healthcare).

Regular business trips (Europe, USA, Asia) are expected.

YOUR RESPONSABILITIES

As a Junior Analyst, you will be responsible to :

- Execute technical, marketing, and strategic analyses
- Understand the impact of the emergence of new technologies
- Oversee technology and industry insights from component (CMOS Image Sensors, CCD sensors, Ambient Light Sensors, Proximity sensors, IR-detectors and imagers, etc.), module (Packaging, Optical Image Stabilization, Autofocus), to end-applications (consumer, automotive, industrial, medical, defense...)
- Execute projects within a given timeframe and budget
- Participate in dedicated trade shows and conferences around the world

EDUCATION / EXPERIENCE

- First experience ideally in the Imaging field
- University Degree (Masters, Engineer, PhD) in a semiconductor related field is mandatory.
- Strong interest in product market entry / applications (marketing, strategic planning, etc.).
- Fluent in English (minimum CI level – TOEIC 900)
- Good command of English and French (both spoken and written)

Please send your latest CV & cover letter to recruiting@yole.fr
