

MARKET & TECHNOLOGY ANALYST | RADIOFREQUENCY

With offices in France, Japan, Greater China and the U.S.A, Yole Développement (Yole) the « More than Moore » company, provides market research, technology analysis, strategic consulting, media services and financial services to a worldwide customer base.

Covering emerging and disruptive silicon and micro manufacturing markets, the group supports companies, investors and R&D organizations by delivering comprehensive analysis that helps them understand the markets and technology trends critical to their business.

JOB DESCRIPTION

Our company proposes an immediate opening for a Market and Technology Analyst to help us further develop our RF activities by performing market, technology, and strategic analysis.

You will work in tandem with the RF Activity Leader as well as take part in the projects of the different Business Units (Power / Compounds, Advanced Packaging, MEMS & Sensors, MedTech).

Regular business trips (Europe, USA, Asia) are expected.

YOUR RESPONSABILITIES

As a RF Technical & Market Analyst, you will be responsible to :

- Execute technical, marketing, and strategic analysis
- Oversee technology and industry insights from RF market trends, components and modules (power amplifiers, filters, switches, front-end modules), to end-applications (Industrial, Consumer, Automotive, Medical, Defense...).
- Understand the impact of the emergence of new or improved technologies.
- Execute projects within a given timeframe and budget.
- Participate in the establishment and structuration of commercial offers.
- Create and manage long-term relationships with customers.
- Collect information and promote our activities in conferences and dedicated trade-shows.
- Give presentations at international conferences and workshops.

EDUCATION / EXPERIENCE

- Experience required (3 years minimum) in the RF field (ideally RF design/system architect).
- University Degree (Masters, Engineer, PhD) in a semiconductor and/or RF related field is mandatory.
- Good knowledge of the worldwide RF market place.
- Strong interest in product market entry / applications (marketing, strategic planning, etc.).
- Effective communication and interpersonal skills.
- Fluent in English (precise minimum CECI level).
